CAMP STATION. Work Inspected on Thursday-Not Quite Complete.

The board of selectmen, Town Coun-sel Thomas J. Kelley, Civil Engineer R. E. Mitchell and Paul Sterling, an engineer representing the New York, New Haven and Hartford Railroad New Haven and Hartford Railroad company, made a trip to the Camp Station crossing Thursday afternoon and inspected the work done their recently by the railroad in the matter of eliminating the crossing. The work has not been completed yet, but as soon as the frost gets out of the ground the engineer stated that the railroad people would complete their work, and that it would be entirely satisfactory to the town of Windham. During the past few weeks water has collected beneath the bridge and has been rather bad for traffic, but this will all be done away with and fixed so that it will be properly drained.
